Tribute from Fj Hurtak

Relation: Friend

Andy was a staunch wildlife advocate. I had the honour of interviewing him many times on EK Radio as he was the spokesperson for the Kimberley Wildlife and Wilderness Club. I was also on many a wildlife oriented committee with Andy and he was always a straight shooter and told it like it was. Few people were as dedicated to the cause as Andy was. I also particularly enjoyed his wonderful sense of humour and his knowledge of wildlife in general. Rest in Peace my friend and my sincerest condolences to Abbie and family.
