Tribute from Mark Memorial Funeral Services Staff

Mark Memorial Funeral Services Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Leda Tschetter

Relation: she was a very good friend

I am very sorry for your loss. Anne was a very good friend. We spent many hours baking together. I loved having her there. She used to say it was like having a holiday and she helped me with my MS. I would never have done the baking for my family on my own. She will be greatly missed. I loved her very much.

Relation: A very special friend

Anne was a very special friend to me. I love/loved her greatly and miss her. Each time we said, "Bye-bye for now", without fail, she added, "I love you!" I knew she did by her every word and action.

I know that you, her beloved family, love her and grieve her passing as do I. Please accept my heartfelt condolences.

Sincerely,

Tribute from LEA CAMERON

Relation: A special friend

Please forgive my paralyzed M.S. finger while attempting to type a message to you. I meant to say, "Please accept my heartfelt condolences though rather belated." Dear little Anne was a 'rock' to me when my children died. She loved them dearly as was shown by her care for this heartbroken Mother at the times right up to the end of her own life.
