Tribute from Maia Caron

Relation: Friend

Anne, you were dearly loved and your kindness will always be with me. As Kim's best friend in high school, I often came over and spent many happy hours in your kitchen as you baked and cooked. I could talk to you about anything and you were more a mother to me than my own at times. I loved your ginger snaps and still treasure your recipe and make it every year at Christmas, thinking of you. Rest in peace most deserved, Mom. I will miss you!

Our deepest condolences.

We will feel your Anne's spirit every time we are in the mountains, by the streams, and amongst wild flowers. RIP

Tribute from Bo Delleryd

Relation: Anne Marie was a cousin of my father.

I sent my condolence to Frank and Kim, Linda and David with families.

I had the opportunity to get to know her in about the last ten years of her life. She was a strong, modest person with a lot of empathy. She, as well as her father, always held contact with my parents and me in Sweden. She never forgot her Swedish roots even though she was a Canadian in her heart. I will miss her a lot.

Sorry to hear of your loss Linda, Ken and family. Sounds like your mom was a beautiful soul. I met her at your wedding but that was many years ago. Praying for all of you at this very hard time.
