Mark Memorial Funeral Services Staff send our condolences to family and friends.

Tribute from Deborah McIsaac

Relation: Long time friend

Dearest Tara, Cosima, and families...I just want you to know we are thinking of you. There were two things I loved about your mother. Firstly, she was always so very kind. Secondly, she had a smile/laugh that would light up a room. We have a garden and compost but we will plant a fruit bearing tree in her honour in the spring around her birthday. We loved her and we love you. If you need anything at all....call. You are in our prayers.

Tribute from Sarah Mazurek

Relation: long time friend

dearest family, i am thinking of you and the loss you have endured, my favorite memories of your mom, is spending countless nights playing scrabble with my dad, who also has passed. Your mom was strong independent woman and i looked up to her in many ways. She was a great source of strength for me when parent divorced i loved singing and drumming with her in the red cedar circles of Lund, she will missed but never forgotten.
