Relation: Nephew

I'll miss the regular phone discussions where we solved the world's problems but the world ignored us. At 95 still sharp as a tack. We should all be so lucky.

Dear Doug and Pam,

My thoughts and prayers are with you at this time. I have fond memories of growing up on Halpin street that include our families. Your dad always made a point to stop and talk when I saw him downtown. According to Vera he was the longest living resident on the "hill".

Ted and Vi - people who our entire family loved and respected. Our condolences to all of you, late though they are. I'm sorry I didn't know.

**Tribute from Larry Molander**

Doug & Pam. Sorry I'm so late with this. Just found out about your dad's passing. My sincere condolences.

Do I remember your Dad!!!! Both, in the mine & up at your place on Halpin St. When he was in the vicinity, I made a point of minding my P's & Q's. Had to ensure when I opened my mouth, I knew what I was talking about, or a question would asked of me by your dad to ensure I got it correct. Again, so sorry to hear of your loss.
