Tribute from Leslie McLean (Olsen)

Relation: Neighbor

My condolences to the Abbey family, we were neighbors for many years. We all grew up together on 10th Street and when I would come back to visit my parents, your mom would always come out and say hi and to see how I was doing. My thoughts are with the family at this difficult time.

My sincere condolences to all the Abbey family. I worked with Lorraine for many years at the ECU, Cranbrook Hospital. She was a great friend at my time of need. We had many fun times at work. So sorry for your loss.
