Tribute from Gail Anderson (Craig)

Relation: Through marriage to his nephew

Neil, Debbie and Kelly,

I am sorry to hear about the passing of your Dad. I thought the world of your Dad and he treated me like one of his own. We always had many laughs whenever we would get together or on the phone. I enjoyed our visits and he even let me stay at his place when he and June were out of town on one of my visits back to Kimberley. Barry always had time to stop and say hello and we'd catch up with each other. Hard to believe that I have known your Dad for over 40 years. There are lots of memories, lots of laughs and lots of meals shared with you and your family over the years. He will be missed. My thoughts go out to you all.

Tribute from Terry Leal

Relation: friend

So sorry to hear of Ginger's passing. I knew him for most of my life and always found him to be very friendly and engaging whether on the golf course or at Superstore. When he played for the Dynamiters, he knew my dad Aubrey who was on the executive. Rest in peace Ginger (will always remember the hip checks)

To the family of Barry (Ginger) Craig

Our condolences to you at this time. Ginger had a rocky time in his last years. I first met Ginger when we were playing hockey for the Calgary Buffaloes (Jr.) in 1953-54. He played about 1/2 a season then moved on to the Crowsnest Coalers. We met again in 1954-55 when I was playing for Trail and Ginger

was playing for Kimberley. I moved to Kimberley in the 1955-56 season and a lasting friendship started. Again our sincere sympathy to the family and we look forward to his celebration of life. Ken McTeer and Joyce Bell

My sincere condolences to June and the Craig family, I will remember Ginger as a soft spoken man but the words spoken carried respect. Now he's playing on the big rink blocking shots with Steener.
