

REMEMBERING
Bowe Lee Wade Cavelle ("Bo")

March 11, 1998 - October 26, 2022

On the morning of Wednesday, October 26, 2022, Bo passed away suddenly.

Bo loved soccer, fishing, hunting, always being the first into the lake with Justin Samuel, dirt biking, tormenting his baby sister with his sidekick Noah and always getting the last laugh while doing it. His greatest joys were being with his family, his true friends and his dog Kali.

Bo lived for great adventure, he was fearless. He had a heart bigger than anyone and he was the first to give a hand to his Moyie family or anyone else who found a place in his heart. Bo was always trying to put a smile on everyone's face. Fiercely protective, he wasn't just Jodi's big brother - he was a big brother to anyone who needed him.

Bo has left behind and will be loved always by his Mother and Father, David and Wanda Cavelle as well as his biological father Jarred McDonald; his sister Jodi (Cooper) and Octavia. He is also survived by his grandparents Penny, Sheri (Larry), Simone (Doug), Darcy, David (Ruth) as well as a huge tribe of aunts, uncles, cousins as well as his chosen people.

Bo was predeceased by his grandparents, Charmaine Ballard, Rosanne, Myron Ballard, Ken Snychuck and his great gran Noni Kostiuik and his brother from another mother, John Johnstone.

Memorial donations in Bo's memory may be made to Cranbrook Street Angels or to Ankors Cranbrook.

A Celebration of Life will be held on Thursday, November 3, 2022 at the Eagles Hall, 715 Kootenay St. N. in Cranbrook from 1:00 to 4:00 pm.
