Tribute from Carol Rose

Relation: Cousin's Husband

It is hard to accept when one we knew and loved leaves this earth, yet I know in my heart, he is in a better place with his Lord and also surrounded by loved ones who have gone before him. He will be greatly missed as he was a wonderful man of God.

Tribute from Greg Smith

Relation: My Uncle

The girls and I were sorry to hear that Uncle Bruce had passed but also so glad to know that he's in heaven and his pain here is over. I'll miss golfing with him and the many funny moments we had camping, fishing and just hanging out. We love everyone and we'll see you all soon. Love Greg, Mikaela, Taylor and Gabby.

Tribute from Joan & Randy Lewis

Relation: Uncle

It is hard to believe that Uncle Bruce is gone but yet we know in our hearts he is in a much better place and at home with Jesus whom I know welcomed him with open arms as well as the rest of his friends and family that have gone before him. He was an amazing man of God and we will never forget him and his smile.

Tribute from Ron Lewis

Relation: Cousin to wife, Donna Jean

Dear Cousin Donna Jean and Family:

This is not exactly the best time to reacquaint ourselves with our family but we have lost touch with so many of our close relatives over the years. It was through Cousin Carol that we first learned of Bruce's illness. And that, only a couple (2) weeks ago.

May God continue to bless your family as they gather to remember their Father, Grandfather , Great-Great Grandfather and husband.

After learning that Dr. Bruce was ill it is so shocking to hear of his demise so soon thereafter.

Hopefully, Donna Jean you and your family will adjust to this loss soon. Yours, is a very large family - with his side having great-great grandchildren.

A remarkable life - over too soon perhaps, but apparently with many years of satisfaction.

Yes, we are sorry to hear about this event but pleased the end came without too much distress for the Doctor or his family.

We will be remembering you and the family as you continue to keep your family in repair for their future.

Tribute from Karen Smith

Relation: brother-in-law

Dear Family,

I know that this is a hard time for all of you--but also, a time of relief and blessing. Bruce wanted to live a quality life and had no hope of that after this last treatment. I know that Jesus had His arms open for Bruce as he entered heaven's gates. Bruce was ready and unafraid to die, knowing what he had to look forward to. I know all of you will surround Donna with your love and devotion. It was what Bruce worried about most--Donna will be fine with your help and support. I will keep you all in my prayers as you go to the service tomorrow. I know that it will be a beautiful service and have deep meaning for all of you. I love you all. I will be back to see you in the spring.

Tribute from Bruce Eric Larson

Relation: nephew

Donna and Family,

May and I were sorry to hear about Uncle Bruce. We will miss his annual visits to Fresno and Santa Cruz. It was fun hearing him talk about his experiences as he went through his golfing circuit. I valued his free medical advice greatly. It saddens me deeply that I could not travel up to Canada to see him. I will forever cherish the good memories I have of him. Fishing with him, and having him show us around parts of Canada are two of my best family memories.

Love,

Bruce and May

Tribute from Julie Begg

Relation: Friend of Gelech's & Chisholm's

I am so sorry to hear about Bruce. He was a wonderful man. You are lucky to have such a close-knit family full of love and support, especially during this difficult time. I wish I could be there in person, but please know that my thoughts and prayers are with the entire Gelech, Chisholm and Rabuck family.

Love Julie (Shaun, Ryder and Jordan)
