

## REMEMBERING Carol Crowe

December 19, 1961 - August 10, 2020

Carol Anne Crowe of Kimberley, BC passed away peacefully at home on Monday, August 10, 2020 at the age of 58 years.

Carol bartended and managed many of the places in and around Kimberley and Trail. She loved laughter, storytelling, fishing and being with her many friends. If it were not for her good friends who helped at her time of need; Monika, Bernadette, Elouise, Brenda, Connie, Nowita, Shelley and Sister-in-Law; Alida - her time here would have been much more difficult. All her friends made her feel comfortable along the way, especially her sister Holly. She offered her the comfort that she needed.

Carol, born in Kimberley, leaves to mourn her passing, her loving sister Holly, her brother Brian and his two boys, Dustin and Nathan as well as her beloved cat, Lucy. Carol was predeceased by her father George, mother Hilda and brother Wayne.

Carol would deeply appreciate donations to the Cancer Society or the Scleroderma Society . Carol will be greatly missed by all and will never be forgotten. The family wishes to thank Dr. Ilana Coetzee, the Interior Health nursing staff and Home Care for the wonderful care Carol received.

There will be a Celebration of Carol's Life at a later date when the pandemic eases.
