Relation: Relationship - How did you know the deceased?

Dear Bev, Trace and family, so sorry to hear of your loss. I will always have fond memories of the times we spend volunteering together for the SPCA years ago. My thought are with all of you.

Tribute from Wendy Cullum (Carry)

Relation: He was a "mentor" to me

Bev, Trace, and family.... Chick was a mentor to me in many ways. With horses, and Boston Terriers - along with Bev. He was such a good man. I remember him fondly because he was always involved in the things I was - Maverick Riding Club for example. I respected him, trusted his knowledge and advice, and held him in the highest esteem. I am so sorry we have lost another great man. I can't be in Cranbrook for the services due to work, but I send my and my Mom's deepest gratitude and condolences for all Chick meant to me/us, and so many others. His memory will shine on long after he moves to greener pastures. With much love.....Wendy.
