Tribute from Terry Leal

Relation: Friend

My condolences to Norma and her family on the loss of Cliff. I first met him when I joined the Kootenay Harmony chorus. Cliff was my mentor. I always looked up to him for his companionship and his caring for all things barbershop. I will miss him. May he rest in peace.

Tribute from Rhona Temple

Tribute from James & Sharon Waldbillig

Relation: My Uncle

Aunty Norma and The Boys, sad to hear of Uncle Cliff passing, hope that Aunty Norma is doing OK, best to all of you. I did have the utmost respect for Uncle Cliff. It was always very exciting when our cousins from BC came to visit us in Saskatchewan. And Aunty Norma was a card shark!!

Tribute from Susi Stundner

When I met with Cliff and Norma four years ago, I knew that it would be the last time and saying good-bye was very hard. I will remember Cliff as a man of integrity, but also as a loving father and caring husband. My condolences go to the entire family, but especially to Norma. My thoughts are with you.
