Tribute from Donna Grainger

Relation: Friend

I have known Colin since we went to school in Kimberley many years ago. In the past six years, we were reacquainted as Colin and my dad were on the same shifts at the renal unit. What I am taking with me is the positive outlook, laugh and that little impish grin that Colin had while enduring some of the most difficult times in health and his life. He will be forever missed. My heart goes out to his family to loose him so young.
