Tribute from Valerie Kuilboer

Relation: Close friend of David and his family

I want to express my sincere condolences to all of David's loved ones. Your passing came as quite a shock. I'm truly grateful for the time we got to spend reconnecting the last couple years. I am comforted in the knowledge that you knew how much you and your family meant to me. You will be forever in my heart. Rest In Peace. Much love , forever and always. Valerie Kuilboer

Tribute from Brian and Bonnie McKenzie

Relation: School and life chums

Rest in Peace, Dave. How saddened we were to hear of David's passing. When his family first came to Kimberley I met him and Pete and Simon in their little upstairs flat on Trail Street. His Mom was still alive at the time and his grandparents were visiting from England . I remember they were all very welcoming and gracious . Dave always had that crooked smile and dimples that show in the tribute picture and had a look of mischief about him that was endearing. So long friend!

Tribute from Penny

Relation: Very good friend.

Dave it has been a year since you were taken from us. We still miss you and love you forever.
