Tribute from Cheryl Popoff

Relation: As a Friend of when I worked at Fernie Cartage Ltd.

We are so sorry for the loss of Don. We knew him for approx. 20 years. He was always so obliging in letting us use the hay field to run our dogs and do some tracking. Farwell Don we will miss you out on your tractor, and the special wave.

Tribute from Heather Farmer

Relation: Neighbour

So sorry to hear about Donnie. I enjoyed our talks when I was passing the house and when he came up this way regarding something about the property that surrounds me. I always kept an eye out for trespassers and he would come up, for example when someone was cutting wood without permission. Heather Farmer 250-426-3423. hfarmer@cintek.com

Relation: Friends

My family new Don and Caroll for many years. My mom Patricia Gregoire was a great friend of

Caroll's mom Edith. I remember we were showing Don how to waltz for the wedding dance of him and Caroll! He was such a kind gentle person. He can now dance again with Caroll! Sending our love to the family!
