Lorenzo Bertoia and Family

Tribute from Jim Woods

Relation: I worked at the mill.

I worked for Don in the 70's and loved my job. Don always treated me very well and I had a lot of respect for him. I looked forward to every morning greeting of , "You doin' any good"? We'd usually share a chuckle and it always started my day off great. I thought he was one of the good guys. My condolences to the family.
