To the Sebolsky Family

Sorry to hear about your loss of Doug, I enjoyed all the years of working with him and as it says in his obituary, he was a guy that loved going to work. A big loss to his co-workers and the company as well.

**Tribute from Rosemary Sherret**

Relation: friend and husband's co worker

I was so shocked to hear the news of Doug passing. I have many memories as Doug had a birthday around my mother's, Leila Seabrook, of jaffray. Doug and Rita also has a daughter, Morgan, born the same year as our youngest. Our thoughts and prayers are with you for the whole family. My husband, David worked with him/

**Tribute from Anne Whitehill-Linfoot**

Relation: Girlfriend

My heart is broken to hear that Doug passed. I was his girlfriend at 14 he was 16. That was the summer Doug moved away and I lost his contact information. He was truly a wonderful guy. He set the bar for my future relationships. I tried many times thru the years to re-connect with no luck. I hope he was the recipient of a loving compassionate life, he deserved one.
