Relation: friend

I was deeply saddened to hear of Earl's passing, I have fond memories of him as a child when he played in my Dad's band and later in life when he became friends with my husband. He was always so full of happiness whenever I saw him. My condolences to his family and friends.

Tribute from Melanie Fiorentino

Relation: friend from high school

It was a shock to see this, Earl was a wonderful musician! I knew his brother Cliff and sister Esther as they are closer in age but had the pleasure of listening to Earls music with the various bands he played with. Sincere condolences to you all!
