Tribute from Julia Young

Relation: special friend

Edith.....a wonderful lady who will always hold a special place in my heart.....we laughed, we danced....we had a lot of fun....remembered with love always....I'll see you in my dreams my special one.

Tribute from Vi Fodor

Relation: Acquaintance

Edith was a very caring, friendly person; and yes at first she was a stranger to me, but we got to talking in a store one day & just as it is written in her obituary we got to know each other just talking about life's trials & tribulations. Edith said, "whenever we see each other; let's give each other a hug" and for years that is exactly what we did. It has been awhile since I've ran into her at a store or around town & I've missed her hugs! Such a kind, wonderful lady you've all lost. Now I extend my "hug" to you all, and please accept my deepest sympathy.

Relation: Met her through my in laws

I met Edith many years ago through my in laws. She was always so cheerful and happy to see you. When my son was little she would often buy him easter treats and other surprises. She was very kind

and it was always appreciated. She was a joyful person and I was happy to know her.
