Relation: extended family

My deepest condolences.

Tribute from Kathy Rieberger

Relation: Lived @ Joseph Creek for awhile & enjoyed many suppers with her.

Family of Pat.

I'm sure your hearts are breaking & there never be a replacement until you are called to be with her. I'm very happy to have met & spent our supper times together & meet some of you. She talked lots about you while I lived in Joseph Creek. Sorry I didn't get to phone her more times in the year & a half since I left. Thought of her, but wasn't the right time to call. May your happy times soon take over this rough time of realizing you can't drop in or give her a call.

Tribute from Kurt Edmunds

Relation: Friend of daughter

Leslie and family; sending my condolences to you and your family. I hope the good memories will give some comfort though these days of grieving and loss.

Our thoughts are with you at this time

Tribute from Michele Ihas

Relation: Past co-worker of daughter

Leslie and family - thinking of you in this difficult time. Sending you virtual hugs and love. My deepest condolences.

Tribute from Joan Bartels

Relation: Sister

My Dear Sister Pat:

As children growing up, we shared many things. Even though never in the same town, as we got older always stayed close managing to see and do things together. From Peggy's cove to Harrison

Hot Springs, Niagara Falls to Expo 86. Our last years on the phone 3 times a week. We had much fun and many laughs. Admired your courage and know you are now at peace. Will love and miss you always, your sister Joan.

Tribute from Randy Bartels

Relation: Nephew

My condolences to the family. I know it is difficult but it was time for her to go. They say you don't know what you have until it is gone. Well, I miss you already Aunty Pat. I have always enjoyed our visits over the years and our telephone conversations. The last call was on your birthday in 2020. Always kind and gracious, you invited me to stay with you when I travelled to Ottawa in 2006 to visit you all. When you moved to Cranbrook, BC we went to visit you there in 2019 and you came to Chilliwack, BC in 2010 and 2016. You have had many travels in the roller coast of life. Now you can rest and be free of the shackles of a physical body and can soar to the ones that have gone before you. Until we meet again (save us some chairs, it is going to be one heck of a reunion) - love from Randy.

Tribute from Wendy Trethewey

Relation: Through her daughter, Terry.

I was fortunate to meet Pat later in her life when she lived in Ottawa, through her daughter, Terry, I always admired her quiet demeanor although underneath I felt she had strong backbone. I know she loved hummingbirds and the daughters she raised are a marvelous statement of who she was. My heartfelt sympathy goes out to her family.

Tribute from Marie Braby

Relation: My sister-in-law's mother

I am so sorry to hear of your mother's passing. Your words about your mom really touched my heart. I remember her well especially at Mathew's wedding and her dance with him. You could feel her happiness as she looked up at him. A gracious and beautiful lady....she will be missed.

Tribute from Joan Bartels

Relation: Sister

Tribute from Shawn Bartels

Relation: My Aunt

Remembering Auntie Pat: It is with great sadness to see her go but it's for the best. We all have so many good memories over the years, from Christmas's in Mara, to family reunions and so many other times over the years we all were together. I can still hear her voice calling me, a little imp or a little brat, when I was a young lad, when I would bug her with my usual irritating annoying comments, just to get a rise out of her, she will be missed and thought of always, sending our love and condolences to my cousins and their family's.
