Sending my heartfelt condolences to the family in this time of loss. I'll always remember Dave & Rita as the best parents-in-law that a person could ever hope to have. It's comforting to know that they are together again. Sending my love and wishes for comfort to the family.

Relation: Friend and boss 30 yrs ago

MY condolences to all the family and friends of Dave Burke. I haven't talked to Dave for a couple years and all of a sudden I felt the earge to call and say hi today, but sadly learned of his passing a few weeks ago. Dave was a very important part of my life as a 18 yr old kid. I met Dave when he took over the gas station I worked at. I think I was the only staff he kept. Dave taught me so much about life and business and was responsible for where I am today. He was responsible for getting me my first gas station which grew to 5. I have since owned many small business over the last 32 years and tribute it all to this very kind boss and life long friend. He always had a joke for me. An easy way to describe Dave was how he was very much " a cup half full guy". The positive attitude was very addictive and spread around the room easy. He had many staff that hold him in their hearts. I remember visiting him in the retirement home a few years ago and Dave was in a wheelchair. He made me laugh so hard telling me how him and his friend would drive the nurses crazy having wheelchair raises down the hall. Typical of Dave. I am sure there was a comment about the cute nurses too. Dave you are already missed. Thank you for all the smiles you created for many people! Rest in peace friend.
