Our thoughts and prayers are with all family and friends. Pat and Wendy Tito

### **Tribute from Cindy Stevely**

I remember Ed as a tireless pancake maker at the Cranbrook United Church Wednesday morning breakfasts. He volunteered faithfully the first Wednesday of each month turning out enough pancakes to feed upwards of 30 to 50 people. He and Isabel were a wonderful couple committed to a lifetime of service.

To the family I offer my deepest and heartfelt sympathy.

God bless.

### **Tribute from Bob Braisher**

I first met Ed in 1964 when a new telephone office was installed in the Parson area. It was the newest direct dial technology. Our farm lies on the bench lands above the Columbia River and we had installed a 1.5 km powerline in 1959. My Dad wanted the telephone, so he contacted Ed who worked for BC Tel in Golden. Ed sourced 1.5 km of surplus open wire near Invermere and also offered to install here it on weekends with another installer. We were connected with the outside world all due to Ed's community spirit, hard work and generosity. After high school I attended college in Vancouver and attained a certificate in electronics technology. I applied at BC Tel and, as luck would have it, they were looking for a radio technician in Golden to maintain mobile radios as well as the microwave repeater sites between Golden and Invermere. I reported for work on June 8, 1970 and Ed was so supportive in helping me fit in with the crew that I will be forever thankful to him. Over the years he was always kind and supportive, and a real credit to the telephone company with his loyalty and dedication to doing the best job possible. A life well lived - thanks for everything Ed. God Bless You and Isabel. Bob and Carol Braisher
