November 7, 1924 - November 15, 2013

Tribute from Mark Memorial Funeral Services Staff

Mark Memorial Funeral Services Staff send our condolences to family and friends.

Tribute from Dan Melody

Relation: Friend of Family

A very Proud and Independent Woman, who looked after her Family with an Eagle eye and lots of caring, compassionate Love.

Hopefully she's able to ride her bike beside Al's again, touring Heaven and watching over those left behind.

Tribute from Janette MacFadyen Davis

Relation: long time friend of Eileen's (70s)

Eileen was a very special friend to me. She helped me out of my timid shell in my teens. Eileen and Al would take me to many hockey games to see their son Kim play. We would go for bike rides together, have tea and talk.

We remained friends by phone and visits when I came to Cranbrook to see my parents. I will miss her, she was a lovely person. Her and Al can ride bikes together once again.

My mom Margaret MacFadyen would like to send her condolences to the family. My mom would join me in some visits with Eileen.

I feel Eileen is very happy to be with her loving husband Al, they were very close.

Tribute from Pat Fennessy R.E.

Relation: Just a friend

Sorry to learn of Mother's passing on. She was a good lady. She and Al were an institution on their bikes riding all over town. I enjoyed her company on several road trips taking her to visit family in Kelowna. May you find the remembrances on the internet of some comfort. Losing the matriarch of the family leaves a large void which cannot ever be filled by another. May she rest in peace.

Tribute from Eileen Burston
