Mark Memorial Funeral Services Staff send our condolences to family and friends.

Tribute from Terry and Barb Leal

Relation: friends

So sorry to hear of Faye's passing. We visited her often at the Pines and the week before her passing we had our last visit with her although it was very short. She was very weak and Faye Barb and I knew it would be our last visit. I knew Faye for over 60 years and will miss her for all her hard work planning our high school reunions and just being a really great friend. Our condolences go out to Faye's family, may she rest in peace.

Tribute from the Wasilciw family

Relation: friend

Norman and Bob we wish to extend our condolences to you both at this
sad time. We have been neighbours for so long and the block parties we had would not have been the same without them --- also you two!
