

**REMEMBERING**  
**Gail Boon**

October 5, 1963 - October 5, 2019

With heavy hearts the family announces the sudden passing of Gail Boon on October 5, 2019 after a long battle with alcoholism.

She is survived by John, her three children (Jennifer, Sam and Brandy), her father Percy and her siblings (Helen, Paul, Jarod, Scott, Brian, Dustin and their families). Gail was a phenomenal artist, whether she was painting, drawing or playing guitar, she always did so with passion.

To respect her wishes there will be no service; however the family may plan a celebration of life in the future.
