Dear Jeanne, Paul, Treena and Family

It is with great sadness that we learned of Glen's passing. Your loss is shared by many friends and we are only two.

He was an amazing curler and a consistent volunteer for anything at the Curling Club. He will be terribly missed in and around the Curling community.

Thinking of you all and wishing you peace and gentle comfort.

In Sympathy

Fred and Rose Stevens

### **Tribute from Jeffrey Ketchen**

Relation: I worked with Glen in Prince George B.C.

Forgive my late intrusion. I just learned of Glen's passing. Real sorry. I worked with Glen in Prince George on the oil and gas pipelines. I really enjoyed working with him. He was patient and I learned a lot from him as a result. We had many humorous moments together. I'm certain he's sorely missed ... again, really sorry to hear about Glen. I'll remember him with fondness. Best.
