Dear Bob and girls...

My heart is sad for you today as I feel your loss, but I know that Ida will live on in the many ways she touched our lives. She has been gone from MoE for a while now but we think of her so often because she reached out to everyone and affected our own development.

I hope that you are all getting stronger with every day. Come for tea if you are ever in town. I'd love it!

Thanks for all the updates.

With Love, Wendy Murdoch. Hugs!

**Tribute from Coral Aitchison**

Relation: Through knowing Cindy

We were privileged to have Cindy, Ida's eldest daughter, live with us for some months whilst Cindy was on her Rotary Exchange Year in New Zealand.

Sadly we were never able to visit Canada and meet Ida & Bob although many of our fellow Rotarians did so. Cindy became part of our family and we loved sharing her adventures with her.

**Tribute from Deborah Griffith**

Relation: CBEEN board

Ida was an inspiration for me as a Columbia Basin Environmental Education Network (CBEEN) board member and became during that time a good friend. She and our mutual friend Susie would occasionally come down to Invermere or we would meet in Kimberley area for lunch. I loved every moment spent with her and will truly miss her laughter, wisdom and all the fun we shared. Getting to know Ida was a gift for me! I know she touched a lot of people through her interpretive work with BC Parks. She will continue to reach children and people throughout the Columbia Basin through her wonderful support and work during her time on the CBEEN board.
