Tribute from Della Marshall

Relation: Best Friends Daughter

I'm extremely sorry for your loss but she's no longer in pain but in peace. I have known Ilona for many years and she's a very sweet, exceptional woman. She was always young at heart. Ilona had that special laughter that captivates and so does her mom Pearl. She will be dearly missed by all. Rest in peace oh sweet soul Love Della Mike Marshall and Family

Tribute from Denise Bouley

Relation: Aunty

Dennis Pearl and Ray - There are no words to describe how devastated I was to learn of Ilona's passing. My mind keeps going back to when we were carefree kids and how much fun we used to have. I will remember her always as our "fish" who would be in the water at Grandma and Grandpa Lehto's camp 24 hours a day if she was allowed to be! Losing touch with her has always left me with a hole in my heart. I am so sorry that she is gone. My deepest condolences and love to you all.

Tribute from Wendy (Luhtala) Brescia

Relation: Friend

Dear Dennis, Pearl, Ray and family,

I was so very saddened when reading the news of Ilona's passing. She was a dear friend to me in our early years. So many fond memories of our walks, bike rides, and swims in the McIntyre. We had a lot of fun together and I cherish the memories of those times we shared. Will be thinking of all of you.

Tribute from Elisa Mantyla

Relation: Cousin

There are no words to describe the void I felt receiving this news. Always my soul sister, dance with the angels Love you always.
