Tribute from Tracie Wittman

Relation: Jay was a very good friend.

Jay was a very good friend. We like to play crib and bull - shit about life.

I will miss my friend.

My heart goes out to his Family.

May he rest in peace. So long my friend you will be missed.

Tribute from John Bell

Relation: family friend

Thanks to my and Jay's parent's friendship, I became a lifelong family friend of "Alphie's". I was most familiar with him during my childhood and adolescent years in Kimberley. We shared common sport interests including hockey and baseball but in particular, a love of the great outdoors. I most fondly remember his fishing prowess especially at Whiteswan Lake where certain flies he tied produced excellent results. I'll miss our conversations about family, friends and fishing. May you rest easy, Alphie.
