Relation: Adopted Daughter, friend

What a gift of friendship and love I have received from all of you. Jerome will be thought of often, until we meet again. The memories of pride and love he felt for his family members and kids brought him to tears during the months he stayed in the hospital. He shared funny stories on the farm and always wanted whoever wasn't there. It seemed if he could arrange it he would have had everyone all the time! I was loved by Verna in the beginning, and she brought me to her family. I wouldn't have missed it for the world. Beautiful memories!

Time will soften the pain, you are all in my thoughts and prayers!

Love Cindy and Ron

Jerome was truly one of those people you wish you had the chance to visit more often than you did. He had a calm, warming demeanor and would often tell stories while you played a game of cribbage. My condolences to the family!
