**Tribute from Esata**

Relation: co-worker

My sincerest condolences to the family of Joanne.

I remember Joanne as a dedicated professional to her career of Nursing. One who was very knowledgeable and willing to go the extra mile. I met Joanne while I was a brand-new employee at SickKids. I will always remember her kindness towards me and the many conversations we had. She was quite proud of her family and spoke of them often including stories of her mom. May her soul rest in peace.

**Tribute from Marie Pinard**

Relation: Colleague

Joanne was a valued colleague when I was a nurse at SickKids. She was a talented educator and mentor to so many nurses over the years. She was uncompromising and wise. She sometimes offered me a ride home and would speak very highly of her family with immense pride for her children.
