We are so very sorry to hear of Johns passing. Our deepest condolences to his family. We worked with John for many years at Fording. One thing I remember on our chats on the Drill was how very proud he was of his children and grandchildren... RIP John

Tribute from Lynne Luker

Relation: neighbours

Our deepest condolences from all of us in the Luker household. John made it known how very proud he was of his children and family and how much he adored his grandchildren, it showed in everything he did with them. We could hear the laughter and playing in the swimming pool in the evening hours of the summer months with his grandsons. John was a very kind hearted man who loved his family and I know he will be dearly missed by all.

Tribute from Sue Biggar

Relation: Friend

We are so sad to hear of John's passing, our thoughts and love are with all the family, but in particular to Heather, Becky & Megan and AJ. WE have the fondest memories of John from our 2 trips to Canada. The quad biking up the Rockies that he took us on will long live as a precious time. We fondly remember him as a loving family man who thought the world of his grandchildren but was so proud of his children. We wish we could be with you at this time to give you hugs and share the tears. Sending much Aroha (love) to you all. Sue and Grant - New Zealand

Tribute from Wayne Rayfuse

Relation: Cousin

Sorry to hear of John's passing I wish we could have reconnected. I last saw John in 1970 when my family visited his parents in Crawford Bay I cherished that visit. I just reconnected with his sister Coralyn. Our thoughts are with his family.
