Tribute from Jolene Charbonneau

Relation: School

I was so shocked to hear of Justin's passing. I am so very sorry for your loss. Justin was a kind man, a soft heart and always had a smile! We had not seen each other in years when we ran into each other while shopping this past summer. He told me of his lovely wife and 2 beautiful children. I think it had been over 12 years since we saw each other last and he smiled just the same as he did years ago as he beamed when telling me of his family. My prayers and thoughts are with his family. He was a good man!! May He Rest In Peace!

Tribute from Melanie Elliott

Relation: Family friend

When I found out about your passing from my mom and dad I was shocked. You were always such a caring and compassionate person, you would give the shirt off your back for anyone! I am so deeply saddened by your passing. The memories will always be in the back of my mind from birthday parties and gatherings with my family and yours. Know that you were loved by many and will be missed by so many more. My thoughts are with you Terry and Debbi, as well as with your grandchildren and daughter in law. You are a life not to be forgotten Justin. Sending all of our love and condolences from my family to yours. Always remember death leaves a heartache no one can heal, but love leaves a memory no one can steal. XO
