Tribute from Anne Edwards

Relation: friend

I knew Kaye through her many community activities over the years since the mid-1960s. She was a thoughtful and considerate person with many, many skills and interests. My condolences to her family, older and younger. I, and many more, will remember her with great respect.

Sorry to hear of Kaye's passing. I remember her best near the kitchen table painting her pictures and giving us kool-aid in the summer. Fish/Kelly and Laurie/Spencer, we have been thinking of you guys.
