Mark, we have been holding you in our hearts ever since Ken told us about your Dad.
You are so much like him..
We hope that your heartache will transform to thanksgiving when you think of the two incredible people who raised you.
We will never forget either of them. Wilf and Carole

Relation: Kenâ€™s wifeâ€™s cousin

I have traveled the world and have not met many people who were as grounded, intelligent, and personable as Ken. It was such a pleasure to talk to him and be in his presence. My heartfelt condolences to his family. May he rest in peace.
