Tribute from John Bell

Relation: Friend

My deepest condolences to Glenna and the Hall family. I'll forever be grateful for the memories of meeting Kenny, Glenna, Barb and Russ on their many fishing junkets to Kootenay Lake. It is really where I got to know and appreciate Ken as the individual he was. His personality, great love of the outdoors and that Kimberley heritage we mutually shared made him particularly special. Someday we'll meet on the other side of the river. You'll have the fish figured and some dandy fly patterns prepared to catch em. I feel a great sense of privilege to have known you.
