**Tribute from Paul Dunbar**

Relation: Friend's mother

Rick, Marylin, Sheila, Susan, Darren, Karen and Rob, I grieve with you in your loss. I have many fond memories of the many years that I was fortunate to know you all. One might think that with 7 kids of her own your mom wouldn't have room or time in her life for any more but she always welcomed me in. Even in the few short conversations I've had with her during her time at Gardenview she was welcoming and pleased to see me. Thank you all for being gracious to me and sharing her with me. She will be missed.

**Tribute from Anne and Chuck Fall and family and Florence Neidig**

Relation: Anne (niece) and Florence (sister-in-law)

Our thoughts and prayers are with all of you as you begin to navigate your world without your Mom and Grandma. Auntie Lee was a very sweet lady who made us feel welcome whenever we were able to visit from NS and Ontario. While we won't be with you in person on the 21st, we will be with you in spirit! Love to all
