Tribute from Carl Watters

Although I did not get to meet Len I heard a lot about him through letters from cousin Donna. He sure lived a full life and touched many along his journey. I am sure he will be missed. Sending condolences from my family, Suzanne and daughter Kirsten, and my mother Stephenie.

Tribute from Val Migneault

He really did have a twinkle in his eyes. A very nice man-an awesome couple.
May he RIP.

Tribute from Sandi Siega

Relation: Friend

I was so sorry to hear the news of Len passing...he was such a kind man. I loved spending time with him and your Mom at Garden View... we had some good laughs over lunch... I am sure they are together having a competitive game of cards. My condolences to all the family.
