

REMEMBERING
Lucille Ida Farran

February 3, 1925 - December 13, 2022

It is with great sadness that the family of Lucille Farran announces her passing at the age of 97.

Mom lived her whole life in Kimberley with the exception of her retirement years travelling and exploring Mexico, Southern USA in winter and fishing in Campbell River in summer.

After Dad passed away in 2002, mom came back to Kimberley and spent the last 20 years enjoying her children and grandchildren.

Lucille was predeceased by her husband, Ken and several brothers and sisters.

Lucille is survived by her children Mick (Dianne) and Lynn (Larry), six grandchildren and several greats and great great grandchildren.

No service by request.
