I was saddened to hear of Aunt Maisie's passing. I have many fond memories of spending time at her house when she lived in Winnipeg. She was a women of faith and her sense of humor will forever be remembered. Having received many of her letters and cards over the years I can only agree with the statement of how devoted she was to written communication.-a truly lost form of communication in today's world. Condolences to the entire family who mourn her loss. With sincere sympathy: The Slater Family

Sending my deepest condolences to all the family. I know this is a great loss for you all. Auntie Maisie had always had a great presence in my life even though we were miles away from each other. **Tribute from James Logie**

Relation: Winnipeg friend

Maisie was a dear friend to my mother over the many years. We enjoyed reading her letters and Christmas cards over the years and Maisie send the family a remarkable letter (as always) when she was notified about mom's passing in 2013. It was sad to receive news of your mother's passing as it brought back such fond memories. My brothers, Bruce, Alex Tom and I send our sincere condolences on your loss and may you find peace in knowing that she lived such a full life that brightened the lives of so many.
