**Tribute from Jacqui Edwards**

Relation: Brian and Marie Sims

My family and I were friends with Marie and Brian Sims when they lived in Cowley AB and then Moyie BC. We lost touch in the early 1990s

My daughter Shannon and Mandy were little buddies. I have a few pics of Mandy when she was around 5 and 6 yo.

If any of her family or friends is interceding these I can email them out.

If anyone can have Marie Sims make contact with me that would be great!
