

**REMEMBERING**  
**Marcel Joseph Begin**

August 6, 1925 - October 27, 2013

Sadly, Marcel Joseph Begin recently resident in Comox/Courtenay, passed on from this life on 27 October 2013. He will be sorely missed by his wife Gloria and children; Paul & Heather, Archie & Gayle, Cholene, Marcella & Mark, Carmen, Colin, Josh, Jenna, Hilary, Corey and a plethora of great grandchildren whose numbers keep climbing with the posting of this obituary. His surviving sisters - Rita, Ghislaine and stepmother, Rose-Ajnette mourn with us. Marcel never wanted anyone to make a fuss over his passing and those of you who know him would probably cough at any suggestion of a religious service over his death. As per his request, no non-Family, format services will be performed and his remains will be interred in Port Hardy - along with his predeceased children - Alan and Marie. Marcel walked his talk and had a smile for everyone he met and who could hope to leave life with a better testament than that? He walks his dogs now in a place where the good guys get to go. We love you Dad/Grampa/Great Grampa . . . say hi to Chick & Al, Marthe, Gaetane, Fernande and Marie-Berthe.
