Tribute from Margaret Mayes

Relation: Mother in law

My dear Mary was such a special caring lady. I am so happy to have had the best Mother In Law who ever lived. She always put her family first, always. She would give up things for herself to see her family have the extras. She was a truly amazing lady, one I looked up to and admired. Education was so important to Mary and she left her grandchildren a lasting legacy of the gift of education.

I will keep her in my heart and as long as memory lasts, I will remember her with much love. Always in my heart,
