To the Sullivans: It was a beautiful service today. The eulogy captured Auntie Nancy so well. My memories of her all include her smile and laughter -- especially when she was with my Dad. She was a wonderful person and will be missed but never forgotten!

Thinking of you Kathy and your family during this difficult time. I always enjoyed your Mom and especially remember her smile. The candle here is so fitting as she was a real 'light'. She was very lucky to have you for a daughter. I hope you can find some peace in all of this. Hugs, Cindy and Nick

My condolences to the Sullivan family. Unfortunately I wasn't able to attend the memorial service, but I believe Auntie Nancy knew I was thinking of her on that day. I remember the occasional trips to her Beach Corner house and the down-to-earth person she was her whole life. I have no doubt that my dad was waiting for her there with open arms ready to share a laugh or two!
