Tribute from Vic Byrom

Relation: Friends who met in 1989

Our deepest condolences to Pat's family.

Vic and I were so fortunate to spend two years in Cranbrook and with Pat and Barry just a 1/2 block away, we became fast friends. Pat quickly became Auntie Pat to our young son Travis--Pat would take Travis to preschool, Pat took him to his very first dental appointment! Uncle Barry would take Travis to McDonalds and let him shift the gears in his truck! Our weekends were spent with fancy Sunday breakfasts while we cheered on our favourite car racers.

We have beautiful memories of Pat, Barry and our time together.

Tribute from Ev Sternig

Relation: Friend

Pat was such a caring and compassionate lady, she cared for and treated her Meals on Wheels recipients as if they were her mom and dad. Alice & I will miss our hockey buddy. So sorry Char and all your family, I know you'll miss her.

Tribute from Julie or Bruce

Relation: friend

Pat was such an amazing lady. Bruce and I were so fortunate to have known both her and Barry since approx. 1980. Bruce met Barry approx. 1980 through snowmobiling, and Pat not long after. I met the both of them through Bruce approx. 1982 after we were married. 40+ years! Amazing.

You would think after Barry's passing we would lose contact somewhat, (especially Bruce) but he continued to see Pat at minimum once a month, and if he didn't see her, he would phone.

We were so lucky to have known Pat, as with all the other kids, our kids also called her Auntie Pat.

Bruce and I offer our sincerest condolences to the Rothwell and Wheeler families. She will be truly missed but we take solace in the fact that she is with her love Barry Big Time, and they are right in the race this time crossing the finish line in 1st place.

Tribute from Lorne Wheeler & wife Patricia Cook

Relation: Brother-in-law and Sister-in-law of Patricia

Pat, you were the best sister-in-law. Out here in Toronto, we miss our phone conversations and emails with you. Seems every week one of us would be in touch, relaying stories and news of the day. Pat (#2 she calls herself) would always show me the funny videos that

you sent from Cranbrook. Hopefully we'll meet with you and Barry again, in another place.
