

REMEMBERING
Paul Michael Fergus

May 26, 1965 - September 4, 2020

It is with broken hearts that our family announces the passing of Paul Michael Fergus on September 4th, 2020. Paul was born in Kimberley, BC and spent his childhood on the ski hill and at the family cabin at Wasa lake. As a young adult, Paul travelled to Australia - a trip he continued to talk about for the rest of his life.

Paul and Terri were married on July 14th, 1990 in Vancouver, and together, they raised two sons, Nathan and Kalen. Paul was a committed dad and his favorite times were those spent with his family, especially camping and boating together. For the past few years, Paul ran his own small construction company. He took great pride in his work and truly enjoyed working with his clients.

Paul is survived by his wife Terri, sons Nathan and Kalen, mother Carol, sisters Lynn and Jill, and brother Brian. He was predeceased by his father, Alex.
