Tribute from Mario Araujo

Relation: Acquaintance.

My condolences to Ray's family. Being one of the sources of the "hotshot!" calls, it was always a pleasure to see him at the mill stores. He always had a warm smile and nothing but goodness in his conversations. He was a gentleman through and through. He will be missed.

Tribute from Adele M Relkoff

Relation: friend

Condolences to Pauline and family. When I attended the Old Ambulance Association dinners, it was a

chance to catch up with Pauline and Ray. I remember Ray talking about his volunteer work including church, Rotary, ambulance, their trip to Hungary, and always, his life with Pauline and family. His goodness lives on.

Tribute from Rosanne Malowany

Relation: Friend

Ray's legacy is his huge kind heart, sharing lovable insights on life, and a great sense of humour (sometimes it was a little colourful like how my dad would joke around!). I celebrate knowing Ray and the effect he has had in my life. A true gentleman that brought out the best in people. My loving support to all his extended family.
