To Donna and family, my heartfelt condolences. I was fortunate to have met Rob when we first moved to Cranbrook in 1991. He was always so welcoming and cheerful. I was very glad I had a chance to see him last summer and share a few minutes of time. He went through his battle with cancer with such dignity. He will be missed.

So so sad but he did a lot in his life, in school, in the church, in his travels! Donna and Rob were great neighbors and Rob will keep living in our hearts! He is an angel near you at all times...you all were very close family, nothing more you could have done!

Tribute from Fj Hurtak

Relation: Friend

My sincere condolences to Donna and family. For many years throughout the winter and spring I got to know Rob well as he and I played on opposite sides during hundreds of floor hockey games. The two of us were both goalies, and Rob was a true competitor and a very good goaltender. We had many memorable matchups over the years and regardless whether he won or lost he always exemplified good sportsmanship. He was well respected by all the players.. I loved his competitive spirit, his quick wit and most of all his sense of humour. Rest in peace old friend. You will be missed.

I had the pleasure of working with Rob for many years at two different schools. His integrity, professionalism and genuine care for his students was obvious to all who knew him. I enjoyed our

many conversations and shared experiences. I will miss hanging out with Rob at our regular Wednesday golf group and at hockey games. As a teacher and friend, his life touched so many people in such a positive way. Germaine and I send our deepest condolences to Donna and family.

Tribute from Sally wallis

Relation: Friend from AUS

Deepest condolences and love to Donna and family.

We met the Hogg family in 2009 when we travelled from Australia to spend the year in Canada on a year teaching exchange. Our place was far out of town and we had an eight month old. Rob and Donna didn't even know us (only heard about us through acquaintances) and they offered us to stay at their place for 3 months while they were away for the winter and headed for Mexico. Unbelievable generosity to complete strangers. Something I'll always remember.

After that they also took Marc to ice Hockey games and we had teas together.

Thank you Rob. Fly high you've earned your wings

Love Sally, Marc, Liam (and since then Lachie and Emerson) Wallis

Tribute from Julie Fiorentino

Relation: Colleague

Dear Donna and family,

I was saddened to read about Rob's passing. I always looked for Rob at mass when I came home for Christmas or Easter. He always made a point of finding me at the end of mass and giving me an update on his professional and personal life. He always made me feel so welcome at the church with his genuine interest in my teaching career, radiant smile and happy-go-lucky nature.

I will always be thankful for Rob when I started my teaching career in this city. He hired me to be his substitute teacher on many occasions, and he was so easy to work for. He trusted me, gave me latitude to try new things and was appreciative of my time in his classroom.

Donna, I always admired how you and Rob were such a striking couple who were always together. He always looked so proud of you and your kids. As you and your family grieve this loss, may you be comforted in knowing that you did all you could under the circumstances. You gave Rob the gift of time and were there for him, at his bedside, when he needed you.

May Rob's wisdom resonate in your memory and you hear his laughter on the days you need it most. Big hugs to all of you,

Julie Fiorentino
