Relation: Niece

The first time we met Uncle Robert was in Niagara Falls Ontario. We drove from Quebec with my mom Deidre Cousineau (Vid'Amour). She was Uncle Corky's half sister. We had no idea that she had a brother. He drove from BC with his daughter Jeanette. A few years later we met Aunt Marg. as they came to visit us in Chicoutimi. Micheal and Steven learn the lumber Jack handshake :) They still remember this and it puts a smile on their faces. Pierre remembers his distinctive laugh. In 2002, we drove to Cranbrook and stayed a few days with them. Uncle Corky drove the kids in his truck and we followed to show us all the beautiful sites in and around Cranbrook. He was very proud of his stomping grounds. We were very happy to have been able to come that year has my mom passed away the following year. We will always cherish the moments that we shared with Uncle Corky and will not be forgotten. He can finally be reunited with the love of his life. Our sympathy goes out to his family. Love from Tracy,Pierre,Michael,Steven, Kelly, Yancy,Chanel,Alyson, Christopher, Dominique and Cedric.
