Relation: Family

Dear Elly, Nicole and Tammy.

Our condolences on the loss of a dear husband and dad. We, Peter and Jacqueline, have actually only seen Ron for a few days. But the days we spent with him was super! Also it felt familiar with your whatsapps that we send each other. The Tribute to Ron was very beautiful written. You could feel the love and respect for Ron.

We wish you a lot of strength with this loss and digital hugs and kisses.

Love Jacqueline and Peter Ermens

Dear Elly, Tammy and Nicole,

Our condolences on your loss. Ron was a great man and I am glad I met him.

The time I was in Canada , he came to pick me up with his plane because I couldn't get at your place because the road was blocked. I will never forget that and also the time we spend together with my family / mam/ dad / for 5 hollidays in total.

Take care Elly, Nicole and Tammy xxx

Sad to hear of Rons passing. I will always remember talking to Ron about the Toby theatre, its projector, and all the other workings of their movie theatre. He was very passionate about it, and very engaging.

Our condolences to the Peters family, we will miss Ron.
